

MACTAC

This 3 day, 24 hour course has been designed to teach attendees specialized advanced tactical patrol skills that can be employed when offices are faced with heavily armed, violent offenders in an urban environment. The emphasis of this course will be the swift and immediate deployment of law enforcement resources when the situation requires immediate action against armed offenders, be they a lone wolf, a pair, a group, or multiple groups of armed offenders. The course will highlight the MACTAC (Multiple Assault Counter Terrorist Action Capabilities) techniques, tactics and curriculum.

Attendees should possess a high level of proficiency in police tactics, firearms and immediate action / rapid deployment tactics. This is not a beginner's course. Officers attending the course should be physically capable of operating in high stress, physically challenging situations. Course attendees will be expected to run, sprint, kneel, crawl, negotiate obstacles and perform police tactical skills.

The course requires every attendee be equipped with a converted patrol rifle and pistol that can shoot Sims style marking cartridges. Each attendee is required to provide a minimum of 150-200 Sims type rds. A detailed equipment list will be provided upon registration. (.223 Simunition Marking Rounds may NOT be utilized in this course)
