

BASIC SWAT SCHOOL

CTG has developed a basic SWAT course from the decades of real world experience that our instructor cadre has accumulated. This certification will be a must for all new tactical team members, and tactical patrol officers/supervisors.

THIS 50+ HOUR COURSE WILL COVER AREAS OF:

- Warrant service
- Barricaded gunman response
- Less-lethal, chemical munitions, distractionary devices
- Firearms
- Hand to hand combat
- Movement and entry
- Active Shooter response
- Vehicle assaults
- Scouting and Approaching

The basic SWAT course is both physically and mentally challenging, each participant will be expected to give 110% throughout the course and will be evaluated on a daily basis by the instructor cadre.
