

REALITY PISTOL 1 -
ADVANCED CONCEALED CARRY PISTOL TACTICS

Our RP1 is specifically designed for the advanced Concealed Carry Pistol (CPL) holder, armed security officer, off duty/undercover law enforcement officer, as well as those looking to sharpen their self-defense pistol skills while carrying concealed. This training will be beneficial for the basic and advanced shooter. The course will teach tactics and skills that fall under our 4 E's of learning, the course will be fluid and challenging for all who attend. The lack of down time will be vividly apparent as the course will allow you practice the skills of the line while you are reloading and waiting with the assistance of our instructor cadre. Students should have some prior handgun competency prior to registering. The course will cover the following:

1. Combat mindset and prevailing in the fight
2. Laws on self defense
3. Carrying concealed – positions and gear
4. Proper draw from concealment
5. Proper stance and grip
6. Basic pistol craft skill sets
7. Positions and barricades
8. Movement and the confrontation
9. Unarmed combatives and the pistol
10. Clearing malfunctions and proper reloads in a hostile environment
11. Speed vs. accuracy
12. Dealing with multiple adversaries
13. Qualification

Equipment list: (Mandatory)

1. Pistol or revolver with concealable holster (what you normally carry)
2. 2-3 magazines or speed loaders (mag pouch if available)
3. 500 rounds FMJ practice ammo
4. Brimmed hat
5. Eye and hearing protection
6. Sunscreen and insect repellent
7. Hydration
8. Weather appropriate clothing
